REQUEST FOR A CERTIFICATE OF CORRECTION UNDER 37 CFR 1.323

Sir:

In the matter of U.S. Patent No. 6,847,731 issued January 25, 2005, a check of same against the files of the attorney of record indicates that the errors described in the attached Form PTO/SB/44 were made by the Applicant and by the U.S. Patent and Trademark Office (the "Office") in good faith.

More specifically, the following errors that were made by the Applicant and by the Office, corrected in Form PTO/SB/44, are of a clerical nature, the mistakes having occurred in good faith:

1. Column 14, line 50 (claim 1, preamble), -- recognition system as comprising -- should read -- recognition system comprising --
2. Column 16, line 11 (claim 7, subparagraph (i)), -- is trained; and -- should read -- is trained; --
3. Column 16, line 14 (claim 7, subparagraph (j)), -- or zero, -- should read -- or zero; --
4. Column 16, line 16 (claim 7, subparagraph (k)), -- recognition system: -- should read -- recognition system; --
5. Column 16, line 17 (claim 7, subparagraph (l)), -- unclassified objects: -- should read -- unclassified objects; --
6. Column 16, line 19 (claim 7, subparagraph (m)), -- decision rules: -- should read -- decision rules; --
7. Column 16, line 21 (claim 7, subparagraph (n)), -- discriminant spaces: -- should read -- discriminant spaces; --
8. Column 16, line 60 (claim 8, subparagraph (l)), -- set of patterns the patterns -- should read -- set of patterns, the patterns --

REMARKS

Under 35 U.S.C. 254, whenever a mistake in a patent, incurred through fault of the Office, is clearly disclosed by the records of the Office, the Director may issue a certificate of correction stating the fact and nature of such mistake, under seal, without charge. The errors listed in items 1 and 4-8 above were inadvertently made by the Office. The portions of the claims in question were disclosed in a Response (B) to Final Office Action submitted by Applicants on June 22, 2004 in amended Claims 5, 10 and 11 (renumbered Claims 1, 7 and 8 in the issued patent). Since all changes were clearly disclosed by the records filed with the Office, Applicants respectfully request a certificate of correction.

Additionally, under 35 U.S.C. 255, whenever a mistake of a clerical or typographical nature, or of minor character, which was not the fault of the Office, appears in a patent and a showing has been made that such mistake occurred in good faith, the Director may, upon payment of the required fee, issue a certificate of correction, if the correction does not involve such changes in the patent as would constitute new matter or would require examination. Applicant inadvertently made typographical errors as listed above in items 2 and 3. The errors were unintentional and made in good faith. Furthermore, it is clear that the corrections do not amount to a change in the patent that would constitute new matter or would require a search or re-examination.

Because Applicant made some of the errors, a check for \$100.00 is enclosed herewith as required under 37 CFR 1.20(a). We also authorize the charging of any additional fees and crediting any overpayment to our Deposit Account No. 03-2410 (Order No. 10050-102).

In accordance with Section 714.01 of the M.P.E.P., the following information is presented in the event that a call may be deemed desirable by the Examiner:

JACOB N. ERLICH (617) 854-4000.
